

# Maniac Magee book reflection

BY Gus

Maniac ran away from his aunt and uncle because they didn't get along. Also Maniac ran away and went to Two Mills

This is how Maniac loves playing football with hands down and how he caught the football in one hand with a book in his other hand. Hands Down loves playing football and plays on his school's football team. This doesn't really relate to me because I don't really like sports.

This is what Finsterwald feels about kids who go into his yard and he gets really mad. Everyone is scared to go into his yard but Maniac is not.

This shows how Amanda Beale loves her encyclopedia and she reads it all the time. Amanda keeps her book safe and doesn't let anything happen to it. She even hides it from Maniac.

Butterscotch Krimpets. This shows how Maniac is in love with them and always gets them when he can. I also kind of have favorite foods

This is a buffalo and Maniac lives in the buffalo pen when he runs away from Amanda and when he runs away when Grayson dies.

This relates to the book because it is the name of the bully who bullies Maniac Magee. His name is Mars Bar Thompson and he always has a Mars bar with him.

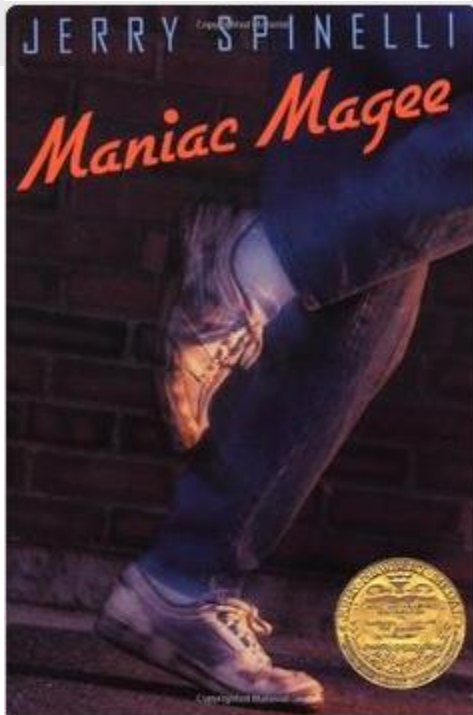

This is showing how Two Mills is segregated between blacks and whites. Also Maniac doesn't care that he lives with the Beales who are black.

This shows how Maniac feels for Two Mills. It also shows how the whole book is and how his and Amanda feelings change throughout the whole book.

This shows how in the end of the book that no matter what color their skin is they are still the same.

This is the cover of the book.
